DOTReady
Marketing Intern
Cookeville

About
DOTReady is a software solution helping companies stay compliant with DOT Regulations.

Intern roles and responsibilities
Marketing, social media, administrative, & clerical duties, customer support

Required qualifications
Willingness to work on your own, we do not like to micro-manage people and want people who can think & plan ahead, ask questions after they tried to figure out answers on their own first and who like to come up with ideas to improve the way they perform their tasks.

Preferred skills
Social media, marketing, customer support
